HISTORIC ROSEBERRY IDAHO

Home of the Valley County Museum

Reserve a prominent place for yourself in history by buying a personalized brick paver to be placed in the Western Walkways at the Valley County Museum.

You may purchase a paver in your name for a child, a friend, a company or just someone you've always admired. Many pavers memorialize a loved one or a family event. Personalized pavers make unique birthday, valentine, or holiday gifts for friends and relatives.

The cost of a personalized 4 X 8 paver with up to three lines of text starts at $45.00. An 8 X 8 personalized paver with up to six lines of text is $90.00. Filler in the engraved area will provide contrast and protect the quality of the engraving. Each line accommodates up to 15 spaces (including characters, punctuation, dashes, ampersands, and symbols). An acknowledgement letter indicating what will be engraved on the paver will be mailed directly to you for approval.
